

# Community Launch

**Bored? Fed Up? Lonely?  
Stressed? Feeling Run Down?  
Or even None of the Above ?**

You're not the only one...and it's time we all did something about it! Inspired by the everyday needs we see in our community, Burham Meeting Place has been set up so we can get to know each other and build a community in our village that looks out for each other. It could be an opportunity to get out, meet people, share thoughts and ideas, have a chat, do craft activities, or indeed whatever you want it to be. And that's what we need to know...

At our first meeting we will be having a cuppa and a bit of cake and asking just what community activities people might be interested in or what we can do to help people less able to get out. We have a few ideas, but please come and join our discussion and share your own - all Burham residents are welcome and all refreshments are free.
